#### **AEDIP presents the White Book of Project Management**

The Spanish Project Management Association AEDIP presented the “White book of Project Management” in Madrid last February 1<sup>st</sup> at 10:00 am at “Genova Financial Club”. This document set up the foundation to develop the Project Management activities under common criteria, it will serve as a reference to centralize the quality of services offered by the Project Management companies in the Construction market.

It has been developed by a research program, managed by the “White Book Project Team” and with the participation of ETSAM (Madrid Architecture School) and the assessment and support, long time ago, from Professor Rafael Heredia, Eng., PhD (one of the Spanish fathers of project management).

#### **PMI Barcelona Chapter continues supporting and promoting the “Project Manager” profession development in Spain**

The PMI Barcelona Spain Chapter delivers PMP training sessions in order to develop the PM profession for their members in Catalonia and Spain. This initiative started at the end of 2006 by the PMI Barcelona Board of Directors, is adding value to the PMI Barcelona members, facilitating them the PMP exam preparation. The PMI Barcelona Board of Directors has presented and explained the importance of PM profession to the Barcelona Major.
